

I've always wanted to be a role model.
I've always wanted to stay an Indian.
I wanted the little kids to know that."

I transmit astral plane harmonies through my brushes into the physical plane. These otherworld colours are reflected in the alphabet of nature, a grammar in which the symbols are plants, animals, birds, fishes, earth and sky. I am merely a channel for the spirit to utilize, and it is needed by a spirit starved society.
