

I am Norval Morrisseau and my Indian name is Copper Thunderbird. I am a born artist. A few people are born artists and most others are not, and it is the same with the Indians. I have grown up with many stories and legends of my people, the great Ojibway Indians, and I have made paintings of these legends...

My paintings only remind you that you're an Indian.
Inside somewhere, we're all Indians.
So now when I befriend you, I'm trying to get the best Indian,
bring out the Indianness in you to make you think everything is sacred.
