TO WHOM IT MAY CONCERN

After forty years dealing with the art of Norval Morrisseau, Ojibwa artist, and carefully viewing the two panel painting (given title: Spirits) owned by Joseph Otavnik, Oshawa, Ontario, I can attest that in my opinion as a member of ADAC and a professional gallery curator; that the works are painted by the artist, Norval Morrisseau.

A handwritten signature in black ink, appearing to read "J. McLeod". The signature is fluid and cursive, with a large, looping initial "J" and a long, sweeping underline.
